

=====

SECTION 1: REFUND PROCESSING POLICY

=====

1.1 Overview

The refund processing policy applies to all customer orders placed through the OpsMind platform. All refund requests must be processed within 5 to 7 business days from the date of request submission.

1.2 Eligibility Criteria

A customer is eligible for a refund under the following conditions:

- Product was not delivered within the promised timeline
- Product received was damaged or defective
- Customer received wrong product
- Service was not delivered as described in the contract

1.3 Step by Step Refund Process

Step 1: Customer submits refund request via the billing portal
Step 2: Support agent verifies the order ID and reason code
Step 3: Agent navigates to Billing Module and clicks Initiate Refund
Step 4: Enter the order ID, customer email and reason code
Step 5: Submit the form for manager approval
Step 6: Manager receives an email notification within 1 hour
Step 7: Manager approves or rejects within 24 to 48 hours
Step 8: If approved, amount is credited back within 5 to 7 business days
Step 9: Customer receives confirmation email automatically

1.4 Refund Limits

- Refunds above Rs 10,000 require Finance Head approval
- Refunds above Rs 50,000 require CEO approval
- International refunds require additional 3 to 5 business days

1.5 Escalation Process

If refund is not processed within 7 days, escalate to:

Email: finance@opsmind.com

Phone: +91-9876543210

The finance team will resolve escalations within 48 hours.

=====

SECTION 2: EMPLOYEE ONBOARDING PROCESS
